West Tennessee Construction June 14-21, 2017

BENTON COUNTY, I-40 Truck Climbing Lane

Wednesday, June 7 through Wednesday, June 14: There are no scheduled closures. Motorists should watch for trucks entering and exiting the roadway in a construction zone.

*Speed limit is reduced to **45 MPH**.

BENTON COUNTY, SR-69 (US-641): Resurfacing work will cause possible temporary lane closures in both directions daily, from the Decatur County line to near James Walker Road.

CARROLL COUNTY, SR-1 (US-70): Bridge repair project on SR 1 over overflow LM 31.17.

Tuesday, April 25 through Tuesday, October 31, 2017, a signal system is being utilized. Motorists should watch for trucks entering and exiting the roadway. Watch for flagmen.

Restrictions: On **Tuesday, April 25, 2017,** a signal system was put into place. Traffic is reduced to one lane in each direction with an **11'** lane restriction.

CARROLL COUNTY, SR-424: Construction of a concrete bulb-tee beam bridge on SR 424 over Roan Creek will cause possible lane closures throughout the project. Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

Restrictions: Beginning **Thursday, January 19, 2017,** a signal system was put into place. Traffic will be reduced to one lane in each direction with a **10'** lane restriction.

CARROLL COUNTY, SR-436: Resurfacing work will cause possible temporary lane closures in both directions daily, from near the north end of the Old Obion River bed bridge to SR 76.

FAYETTE COUNTY, I-40: The grading, drainage, construction of a concrete bulb-tee bridge and paving on I-40 at the SR 196 (Hickory Withe Road) interchange. Motorists should watch for trucks entering and exiting the roadway.

Wednesday, June 14 through Wednesday, June 21: There are no scheduled closures.

FAYETTE COUNTY, SR-196: Resurfacing work will cause possible temporary lane closures in both directions daily, from Poplar Acres Road to SR 193. Motorist should watch for flagmen.

HARDEMAN COUNTY, SR-57: Resurfacing work will cause possible temporary lane closures in both directions daily, from the Fayette County line to Saulsbury Road. Motorist should watch for flagmen.

HARDEMAN COUNTY, SR-100: Bridge Repair project on SR 100 over overflow

A signal system is being utilized. Motorists should watch for trucks entering and exiting the roadway. Watch for flagmen.

HARDIN COUNTY, SR-15 (US-64): A widening project on SR 15 from Firetower Road to west of Bigbee Branch. Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

HARDIN COUNTY, SR-114: A bridge repair project on the Clifton bridge over the Tennessee River

will result in lane shifts and narrowed lanes throughout the project.

HARDIN COUNTY, SR-128: A widening project on SR 128 from South of Opel Loop to US-64 (SR 15) in Savannah will cause possible lane closures throughout the project. Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

HAYWOOD COUNTY-I-40 from Mile Marker 46 (LM 2.86) to near Koko Road (LM 8.36):
Sunday, June 18 through Thursday, June 22, 7:00 p. m.-6:00 a. m.: There will be lane closures on I-40 east and westbound from MM 46 to Koko Rd for milling and paving operations. Speed limit is reduced to **60 MPH**. **Weather Permitting.**

HAYWOOD COUNTY-SR-19 (Brownsville Bypass): A widening project on SR 19 from west of Windrow Road to SR 76 south of Brownsville will cause possible lane closures throughout the project. Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

HAYWOOD COUNTY-SR-76: Construction of a concrete bulb tee beam bridge over the Hatchie River–
Wednesday, May 3, 2017 SR 76 will CLOSE at log mile 8.98 (approx. 1 mile south of the I-40/Exit 56 interchange) for removal of the truss bridge.

*Local traffic will have access up to the bridge. An interstate detour will be posted at Exit 56 and Exit 52 (Stanton/KoKo Road).

HENDERSON COUNTY-I-40:
Sunday, June 18 through Thursday, June 22, 7:00 p. m.-6:00 a. m.: There will be lane closures on I-40 east and westbound from Madison County Line to East of SR-104 for milling and paving operations. Speed limit is reduced to **60 MPH**. **Weather Permitting**

LAKE COUNTY, SR-21: The construction of a concrete I-Beam bridge on SR 21 over Branch Creek, including grading, drainage, and paving. **Beginning Monday, September 12, 2016, SR 21 was closed to thru traffic until approximately September 30, 2017.** Detour route posted.

LAKE COUNTY, SR-78: The construction of a concrete Bulb-Tee bridge on SR 78 over drainage ditch LM 16.51 including grading, drainage, and paving will cause possible lane closures throughout the project.

LAUDERDALE, SR-3: Resurfacing work will cause possible lane closures from SR 19 (Lake Drive) to near New Wilson Road.

MADISON COUNTY, I-40

Thursday, June 15 9:00 a. m.-2:00 p. m.: There will be lane closures on I-40 westbound at MM 87.4 on the inside lane for the cleanup of a diesel spill in the median.

MADISON COUNTY, SR-138: Construction of 2 concrete box bridges on SR 138 over Muddy Creek will cause possible lane closures throughout the project.
Restrictions: Beginning Tuesday, May 30 through Tuesday, October 31 a signal system will be utilized. Traffic will be reduced to one lane in each direction with an **11'** lane restriction. Sanderson Road will be closed to through traffic.

OBION COUNTY, Future I-69: Grading, drainage, construction of eight bridges on future I-69 from south of US 51 (SR 3) to south of US 45W (SR 5) will cause possible lane closures throughout the

project.

*Speed limit is reduced to **45 MPH** through the US 51 (SR 3) portion of the project. The inside southbound lane on SR 3 is closed to all traffic for installation of barrier rail.

Restrictions: Beginning **Tuesday, June 13**, SR 3 will have a lane shift in the north and southbound directions. Traffic will be reduced to one lane in each direction with a **12' 8"** lane restriction.

SHELBY COUNTY, I-40 at Canada Road

From your desktop or mobile device, get the latest construction activity and live streaming SmartWay traffic cameras at www.TNSmartWay.com/Traffic. Travelers can also dial 511 from any land-line or cellular phone for travel information, or follow us on Twitter at www.twitter.com/TN511 for statewide travel or for West Tennessee follow <https://twitter.com/NicLawrenceTDOT>.

As always, drivers are reminded to use all motorist information tools wisely and *Know Before You Go!* by checking travel conditions before leaving for your destination. Drivers should never tweet, text or talk on a cell phone while behind the wheel.

In 2016, the Tennessee Department of Transportation lost three workers in the line of duty. All three were struck by passing motorists. Those tragedies bring the total number of TDOT lives lost to 112. We don't want to lose another member of our TDOT family. We're asking you to **WORK WITH US**. Click on the **WORK WITH US** logo to learn more.
