West Tennessee Construction September 27-October 4, 2017

BENTON COUNTY, I-40 Truck Climbing Lane

Wednesday, September 27 through Wednesday, October 4: There are no scheduled closures. Motorists should watch for trucks entering and exiting the roadway in a construction zone. *Speed limit is reduced to **60 MPH**.

BENTON COUNTY, SR-1 (US-70): Resurfacing work will cause possible temporary lane closures in both directions daily, from the Huntingdon City limits to the Benton County line.

CARROLL COUNTY, SR-1 (US-70): Resurfacing work will cause possible temporary lane closures in both directions daily, from the Carroll County line to SR 391.

CROCKETT COUNTY, SR-20 (US-412): Resurfacing work will cause possible temporary lane closures in both directions daily, from the Madison County Line to west of the SR 76 overpass.

DECATUR COUNTY, SR-114: Resurfacing work will cause possible temporary lane closures in both directions daily, from the end of the Tennessee River bridge (LM 0.12) to SR-69 (LM 2.15).

DYER COUNTY, SR-3: Resurfacing work will cause possible temporary lane closures in both directions daily, from SR 3/SR 211, overhead, to SR 77 ramp. Speed limit has been reduced to **60 MPH**.

DYER COUNTY, SR-20: Repair of bridges over North Fork Forked Deer River.
Restrictions: Traffic will be reduced to one lane in each direction with a **12'** lane restriction.

DYER COUNTY, SR-77: Resurfacing work will cause possible temporary lane closures in both directions daily, from SR 3 (US-51) to the Gibson County line. Watch for flagmen.

FAYETTE COUNTY, I-40: The grading, drainage, construction of a concrete bulb-tee bridge and paving on I-40 at the SR 196 (Hickory Withe Road) interchange. Motorists should watch for trucks entering and exiting the roadway.

FAYETTE COUNTY, SR-196: Resurfacing work will cause possible temporary lane closures in both directions daily, from Poplar Acres Road to SR 193. Motorist should watch for flagmen.

FAYETTE COUNTY, SR-222: Resurfacing work will cause possible temporary lane closures in both directions daily, from SR 59 to Hebron Drive. Motorist should watch for flagmen.

HARDEMAN COUNTY, SR-57: Resurfacing work will cause possible temporary lane closures in both directions daily, from the Fayette County line to Saulsbury Road. Motorist should watch for flagmen.

HARDIN COUNTY, SR-15 (US-64): A widening project on SR 15 from Firetower Road to west of Bigbee Branch. Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

HARDIN COUNTY, SR-114: A bridge repair project on the Clifton bridge over the Tennessee River will result in lane shifts and narrowed lanes throughout the project.

HARDIN COUNTY, SR-114: Resurfacing work will cause possible temporary lane closures in both directions daily, from SR 128 (LM 0.81) to the Tennessee River bridge (LM 3.65). Motorists should watch for flagmen.

HARDIN COUNTY, SR-128: A widening project on SR 128 from South of Opel Loop to US-64 (SR 15) in Savannah will cause possible lane closures throughout the project. Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

HARDIN COUNTY, SR-128: A widening project on SR 128 from south of One Stop Drive (LM 8.86) to south of Opel Loop (LM 10.42). Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

HAYWOOD COUNTY-SR-19 (Brownsville Bypass): A widening project on SR 19 from west of Windrow Road to SR 76 south of Brownsville will cause possible lane closures throughout the project. Motorists should watch for trucks entering and exiting the roadway from the construction zones and also crossing the roadways.

HAYWOOD COUNTY-SR-76: Construction of a concrete bulb tee beam bridge over the Hatchie River—**Wednesday, May 3, 2017 SR 76 will CLOSE at log mile 8.98 (approx. 1 mile south of the I-40/Exit 56 interchange) for removal of the truss bridge.** *Local traffic will have access up to the bridge. An interstate detour will be posted at Exit 56 and Exit 52 (Stanton/KoKo Road).

HENDERSON COUNTY-SR-114: Resurfacing work, including bridge repair work, will cause possible temporary lane closures in both directions daily, from SR 201 (LM 6.52) to US 412 (SR 20) (LM 10.55).

LAKE COUNTY, SR-78: Construction of a concrete Bulb-Tee bridge on SR 78 over drainage ditch including grading, drainage, and paving will cause possible lane closures throughout the project.
Restrictions: Beginning Tuesday, August 1 through November 30, 2018, a traffic signal system is being utilized. Traffic is reduced to one lane in each direction with a **9'** lane restriction.

Lauderdale County – Crossdrain Repair

LOOK AHEAD:

Monday, October 16 and Tuesday, October 17, 8:00 a. m.-4:00 p. m.: SR 371 will have both lanes in both directions **CLOSED** at MM 2.5 (near Pipkin Rd.) to allow for crossdrain repair.

**Wednesday, October 18 through Friday, October 20, 8:00 a. m.-4:00 p. m. will serve as backup dates.*

Weather Permitting.

From your desktop or mobile device, get the latest construction activity and live streaming SmartWay traffic cameras at www.TNSmartWay.com/Traffic. Travelers can also dial 511 from any land-line or cellular phone for travel information, or follow us on Twitter at www.twitter.com/TN511 for statewide travel or for West Tennessee follow <https://twitter.com/NicLawrenceTDOT>.

As always, drivers are reminded to use all motorist information tools wisely and *Know Before You Go!* by checking travel conditions before leaving for your destination. Drivers should never tweet, text or talk on a cell phone while behind the wheel.

In 2016, the Tennessee Department of Transportation lost three workers in the line of duty. All three were struck by passing motorists. Those tragedies bring the total number of TDOT lives lost to 112. We don't want to lose another member of our TDOT family. We're asking you to **WORK WITH US**. Click on the **WORK WITH US** logo to learn more.
