PART ONE: GENERAL CONDITIONS

- 1) The Contractor shall coordinate all work in progress with the homeowner so as not to severely disrupt living conditions. Inside work which is disruptive, or displaces the use of the kitchen, bathroom, or bedrooms, shall be pursued continuously on normal working days.
- 2) The Contractor shall be responsible for removing and replacing furniture and other articles, to and from other storage areas on premises, as needed to allow work space or to protect such possessions. Provide plastic film protection over all furniture (if not removed), carpets, finished floors, etc. – also install film at doorways as required.
- 3) The Contractor shall remove all excess material, construction debris, and other existing debris and material specified herein, to an approved dumpsite off premises. Work area shall be broom swept at the end of each work day.
- 4) The Contractor shall coordinate closely with the homeowner as to which possessions are considered “junk and debris” and which are valuable before hauling anything away.
- 5) The Contractor shall contact the Program Developer for direction in the event that coordination or clarification problems arise with the homeowner or other contractors.
- 6) The Contractor shall leave all work areas on the premises in a neat and clean condition, and shall instruct the homeowner in the care and use of all installed equipment. Owners’ manuals and warranty booklets are to be provided to the homeowner as needed.
- 7) The Contractor shall not undertake or engage in any additional work intended to be billed to the Program as an “extra” or as additional cost to the original contract without a written change order signed by the contractor, Program Developer, and homeowner.

- 8) The Contractor shall obtain for all building, plumbing, electrical, well, septic and other permits required for the specified work.
- 9) The Contractor shall call for all inspections required by County law as well as inspections to received reimbursements and any special inspections required by the Program Inspector. All work shall conform to code. Per Shelby County Code Enforcement guidelines, a permit must be pulled for this project.
- 10) Also because of the age of the house, the contractor must be an RRP-certified contractor and implement RRP/lead safe work practices during this project.
- 11) All of the above general conditions shall be adhered to unless otherwise specifically described in the following scope of work.

PART TWO: SURETY BOND REQUIREMENTS

1) The Contractor shall furnish and keep in force throughout the performance of the Work a separate performance bond and a separate labor and material payment bond, each in the amount of the cost of the repairs for the project (as the same may be modified from time to time) conditioned upon the faithful performance of the Work by the Contractor and payment of all obligations arising in connection with the Work by the Contractor. Said bonds shall also guarantee to MAAG that the Work shall be free of all liens upon the property of the Owner. The bonds shall name the Memphis Area Association of Governments (MAAG) as obligee and shall be in such form and with such sureties as MAAG may approve prior to commencement of the Work.

The contractor shall provide MAAG a copy of the bonds prior to the performance of the Work. The contractor shall pay all premiums to ensure the bonds are in effect. If for any reason the bond or bonds are terminated, cancelled or not renewed, contractor will immediately contact MAAG by telephone and provided written notice of such.
