As always, drivers are reminded to use all motorist information tools wisely and *Know Before You Go!* by checking travel conditions before leaving for your destination. Drivers should never tweet, text or talk on a cell phone while behind the wheel. In 2016, the Tennessee Department of Transportation lost three workers in the line of duty. All three were struck by passing motorists. Those tragedies bring the total number of TDOT lives lost to 112. We don't want to lose another member of our TDOT family.
