

Multimodal Access Grant: 2022 Application Cycle

2022 Cycle Updates

Funding percentages and the maximum TDOT grant amount have changed:

All applicants: Maximum portion of the project budget eligible for TDOT funding has increased from \$1.0M to **\$1.25M**

- **Projects in Distressed/At-Risk Counties:** 95% of total project budget, up to a maximum grant of \$1,187,500
- **Project in All Other Counties:** **90% of total project budget**, up to a maximum grant of \$1,125,000

What is the Multimodal Access Grant (MMAG)?

TDOT's MMAG is a state-funded program created to support the transportation needs of pedestrians, bicyclists, and transit users through infrastructure projects that address existing gaps along state routes.

Want to learn more?

The 2022 MMAG cycle will be held during the 2022 calendar year. **Click the link at the bottom of this page for more details.**

For questions, contact Robert Johnson at (615) 741-4449 or Robert.R.Johnson@tn.gov.

Eligibility Overview:

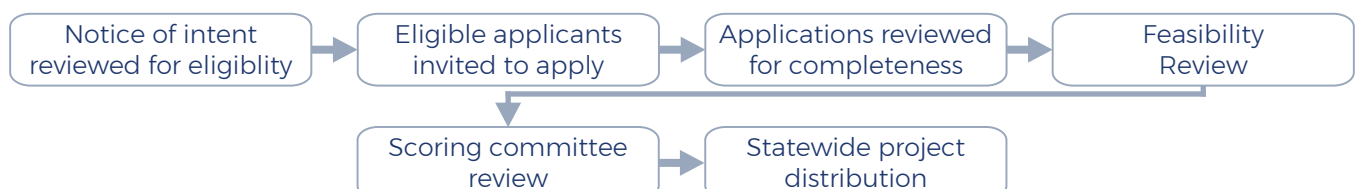

Eligible projects must meet the following criteria (see full guidelines for more information):

- ✓ Project **must** be located along a state route
- ✓ Project **must** meet ADA and PROWAG standards
- ✓ Project **must** primarily serve a transportation need
- ✓ Projects **must** be contiguous and **must** include new construction or rehab of existing facilities
- ✓ Applicants **must** commit to a local match and ongoing maintenance responsibility

Priority may be given to the following:

- ✓ Projects located in an economically distressed or at-risk area
- ✓ Applicants who have identified feasible scope reductions or phasing options within project termini
- ✓ Applicants who have identified strategies for addressing constructability challenges
- ✓ High-quality, repeat applications
